TEACHING *the fundamentals*

ST. MARY & ALL ANGELS school is dedicated to developing the whole child. In a three-way partnership of student, parent and teacher, we are committed to the pursuit of excellence and balance in all areas of a child's life encompassing the academic, spiritual, physical, emotional and social aspects of growth.

Now you can help our students build a solid foundation, by supporting the 12th Annual St. Mary & All Angels Golf Classic.

You can provide support in a variety of ways:

- Sponsor a portion of the tournament
- Donate valuable auction items
- Play in the tournament
